

### Default Question Block

We are recruiting for an interview study on serendipitous software feature discovery. Please complete the survey and we will contact you in case you are selected. Thank you in advance for your time.

There are no right or wrong answers in this survey. Our goal is to recruit a varied set of participants.

During the study, we will show you a series of systems and solicit your feedback.

The study will be conducted remotely using video conferencing tools and we will video record the session. The duration of the study will be around 1 hour and the compensation is \$15.

How old are you?

How would you describe your gender?

- ☐ Male
- ☐ Female
- ☐ Non-binary / third gender
- ☐ Prefer not to say
- ☐ Other

What is your main occupation

How often do you use collaborative editors (like Microsoft office suite, Google drive suite)
