1 This document provides links to the chat conversations used in the writing of our paper. All links
2 are accessible as of the submission date.

3 The code for the difference-in-differences and triple-difference analyses are also shared in a separate
4 code file, titled "Regression_Code.ipynb".

5 **Chat Links**

6 Chat 1: [Google Gemini Conversation](#)

7 Chat 2: [ChatGPT Conversation](#)
