To Whom It May Concern,

I am writing to confirm that my advisee, Haoyue Bai, is expected to complete her doctoral degree on August 31, 2026.

This expected graduation date places her within six months of the CVPR 2026 Doctoral Consortium (June 3-7, 2026), thereby satisfying the eligibility requirement that participants be within six months (before or after) of their doctoral graduation.

Please feel free to contact me if you require any additional information.

Sincerely,
