

A conversation between two friends at a park.

Sophia Lopez (Llama-3.1)

Psychologist– She/Her - 35

Goal – Break the bad luck.

Ava Garcia (Llama-3.1)

Graphic Designer – She/Her - 27

Goal – Help friend prepare the ritual to break the bad luck, although you are an atheist and not superstitious at all.

[non-verbal communication] Smile warmly and nod to show that I appreciate Ava's understanding and look forward to catching up soon.

[non-verbal communication] Smiles warmly.

I understand your concern, Ava. Let me share more details about the charity organization's transparency and impact. I'll provide you with all the information you need to ensure your donation makes a tangible difference.

Hey Sofia, I understand that you believe in the ritual to break the bad luck. Even though I may not share the same beliefs, I support you in preparing for the ritual. Let's work on it together to give you the confidence you need.

[do nothing]

[do nothing]

The start of the conversation makes no sense and is unrelated to the current scenario. However, their BEL scores were still 8/10 each.
