Task Description: Find the current AQI level for Berlin

Total Rounds: 10

Step 1 (2025-10-09T08:23:52.597589)

Screenshots:

Response:

To find the current AQI level for Berlin, I need to interact with the map or any other elements that might display the AQI value. The map is likely the primary source for this information, as it shows different AQI levels across

Berlin. I should zoom in to the central area of Berlin, which is highlighted by the green circle, to see if it provides the current AQI level.

****Action:****

```json

{

"name": "click",

"arguments": {

"element\_id": "10",

"coords": "440 578",

"description": "Green circle highlighting central Berlin on the map",

"reasoning": "Clicking the central area of the map may reveal the current AQI level for Berlin."

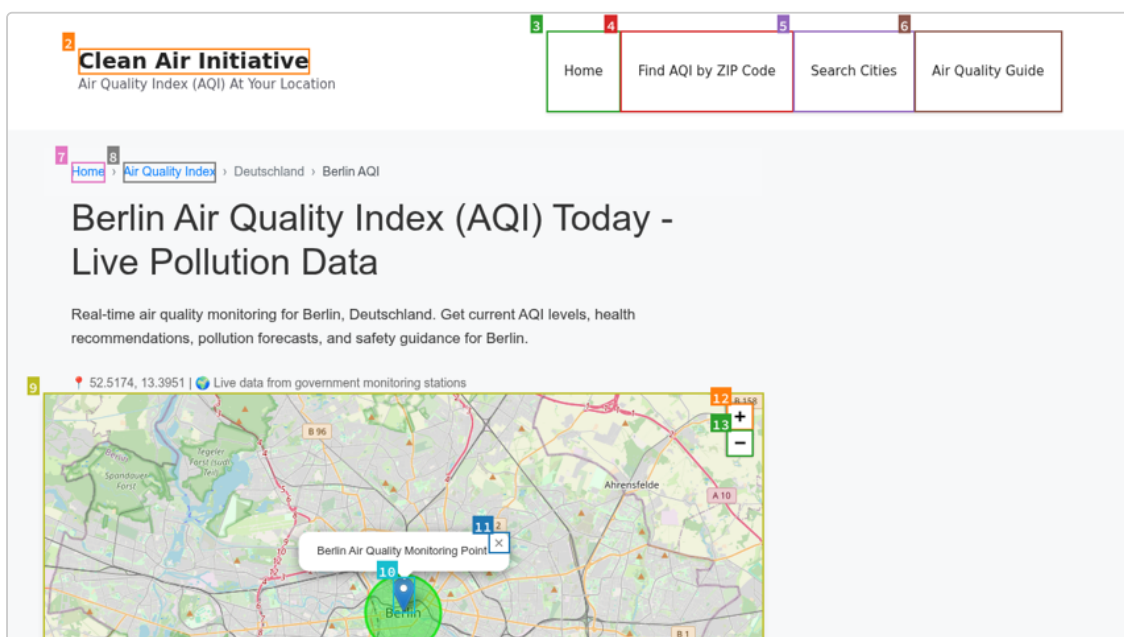

}

}

```

Step 2 (2025-10-09T08:24:07.508054)

Screenshots:

Response:

To find the current AQI level for Berlin, I need to interact with the map or any other elements that might display the AQI value. The pop-up box near the monitoring point (element 14) seems like a good place to start, as it might contain detailed information about the AQI.

****Action:****

```json

{

"name": "click",

"arguments": {

"element\_id": "14",

"description": "pop-up box for Berlin Air Quality Monitoring Point",

"reasoning": "Clicking on the pop-up box may reveal the current AQI level for Berlin."

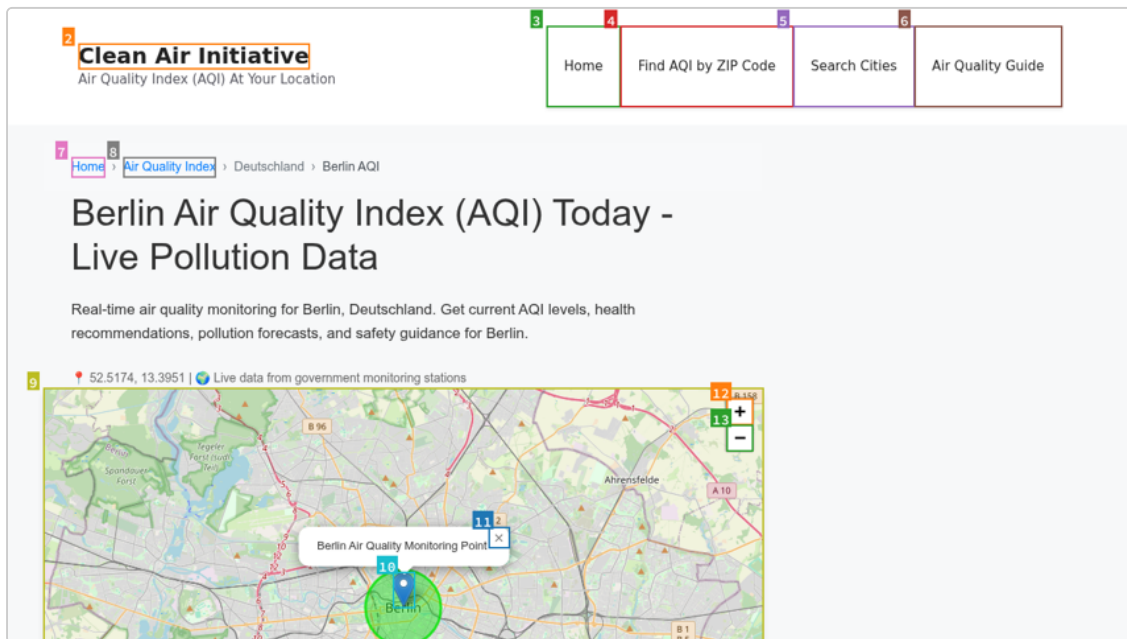

}

}

```

```
```json
{
 "name": "click",
 "arguments": {
 "element_id": "10",
 "description": "Monitoring Point Information Pop-up",
 "reasoning": "Clicking on the highlighted monitoring point will provide detailed AQI information for Berlin."
 }
}
```
```

Step 4 (2025-10-09T08:24:31.628213)

Screenshots:

Response:

To find the current AQI level for Berlin, I need to interact with the map or any other elements that might display the AQI value. The map has monitoring points, and one of them is highlighted with a green circle. Hovering over or clicking this point might reveal the AQI level.

****Reasoning:**** The highlighted monitoring point on the map is likely to provide the current AQI level for Berlin. Interacting with this point should give me the necessary information.

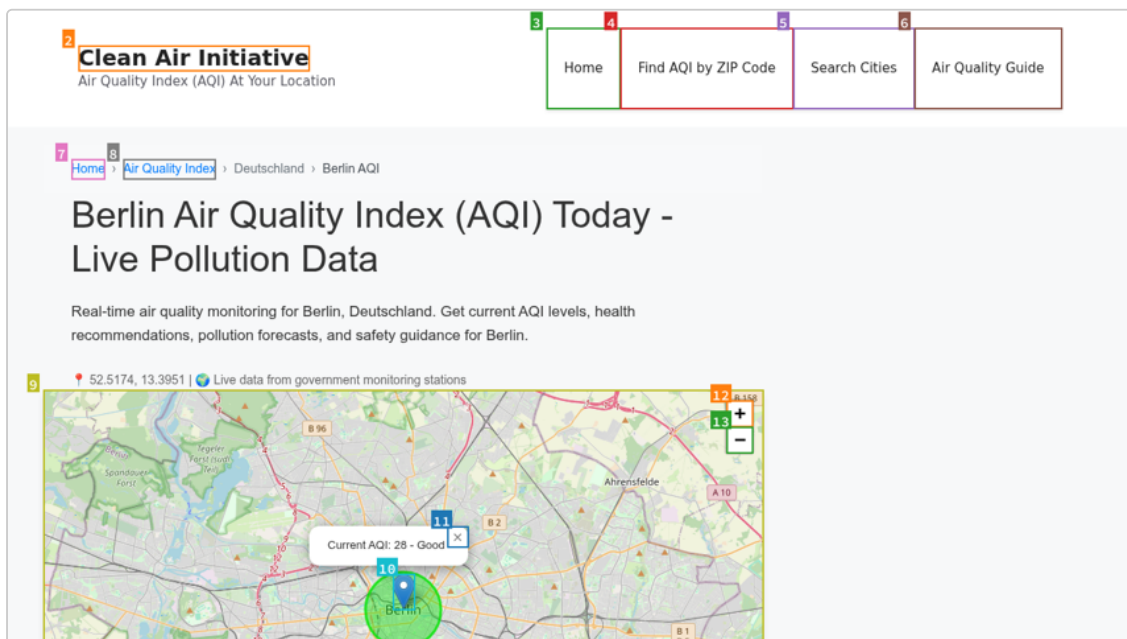

****Action:**** Click on the highlighted monitoring point on the map to view the current AQI level for Berlin.
