

CC(C)S(=O)(=O)N[C@H]1CCOC[C@H]1c1ccc(I)cc1

The diagram illustrates the fragmentation of a chemical structure. A top box contains the full SMILES string. Two arrows point from this box to two separate boxes below. The left arrow points to a box containing the SMILES string for the left fragment, and the right arrow points to a box containing the SMILES string for the right fragment.
