

547 **Supplement Materials**

- 548 • **URL to website/platform of ComBack.**  
549 <https://huggingface.co/datasets/docz-ict/ComBack>.
- 550 • **URL to Croissant metadata record documenting ComBack.**  
551 <https://huggingface.co/api/datasets/docz-ict/ComBack/croissant>.
- 552 • **Author statement.**  
553 We bear all responsibility in case of violation of rights.
- 554 • **Hosting Platform of ComBack.**  
555 <https://huggingface.co>.
- 556 • **Licensing of ComBack.**  
557 ComBack: A Versatile Dataset for Enhancing Compiler Backend Development Efficiency ©  
558 2024 by Ming Zhong is licensed under CC BY 4.0.
- 559 • **Maintance Plan.**  
560 The owner and his team will be responsible for maintain the dataset. They will regularly  
561 extend the dataset with backends in newly released GCC, LLVM and open-sourced projects.  
562 As the dataset has been open-sourced at Huggingface, it will be easy to recover from former  
563 version when issues arise.
- 564 • **URL to fine-tuned models and scripts to reproduce experimental results.**  
565 [https://huggingface.co/docz-ict/ComBack\\_Models](https://huggingface.co/docz-ict/ComBack_Models).

566 **Links to 317 open-sourced GitHub repositories in Sec. 3.1**
