

To Whom It May Concern,

I am writing to confirm that **Ziqi Huang** is currently enrolled in the **College of Computing and Data Science** at **Nanyang Technological University, Singapore**. Based on her academic progress and the completion of the required coursework for the PhD program, I am pleased to verify that **Ziqi Huang** is expected to graduate in **August 2026**.

Ziqi is an outstanding PhD candidate who has demonstrated exceptional research capabilities and leadership in the field of computer vision. Her work on **VBench** has established a comprehensive benchmarking standard for video generation, gaining significant traction in both academia and industry. Her academic excellence is further evidenced by prestigious honors, including the **Google PhD Fellowship** and the **Apple Scholars in AI/ML PhD Fellowship**. As she is approaching the final stage of her doctoral studies and preparing for the academic and professional job market, I believe the Doctoral Consortium would provide her with invaluable exposure and mentorship to further amplify her research impact.

This graduation date has been determined in consultation with the academic records and progress reports maintained by our department. **Ziqi Huang** has consistently demonstrated strong academic performance and is on track to fulfill all degree requirements in a timely manner.

Please feel free to contact me via email if you require any additional information or clarification regarding this matter.

Sincerely,

Ziwei Liu
